

Sound Bingo Set 7

(qu, ou, oi, ue, er, ar)

Recommended age: 4+

Preparation:

1. Listen to the Jolly Phonics sounds:
<http://jollylearning.co.uk/british-english-group-7/>
2. Print a Sound Bingo Set 7 card per player. (4 cards in a set)
3. Prepare counters (coins, paperclips etc.) or Play Doh for each player.

How to play:

In this activity the student needs to hear the Set 7 sounds at the beginning, middle or end of a word. For example the sound 'ou' is in the middle of the word "mouse". The sound 'ue' is at the end of the word "rescue". The pictures on the Bingo Cards contain the Set 7 sounds: qu, ou, oi, ue, er, ar. Remember to always use the sound not the names of the letters. Please note that the 'ue' sound is said "you" not "oo". Also the spelling of some sounds use alternate letters but the sound is the same (for example the 'ou' sound in cow). This is an aural game not a visual spelling game.

1. Give the student a card and a set of counters or Play Doh.
2. With the student, look at the pictures on each card and name them. (The name for each picture is included at the bottom of the card).
3. Call out a sound from Set 7, by saying for example, "Find the picture that has the 'er' sound" or "Find the picture that has the 'qu' sound". (Use the sounds not the names).
4. The student selects a picture on their card that has the same sound as the one that has been called and covers it.
5. Ensure the student has covered the correct picture (e.g. 'qu' for 'queen' or 'quiet'; 'ar' for 'car' or 'star'). There are two pictures for every sound. Students can cover one picture at a time or every picture for the given sound.
6. Continue steps 3-5 for each sound in Set 7 until a student calls "Bingo!" when they have covered all pictures in a row, vertical or horizontal.
