## Judy Hornigold in Adelaide for SPELD SA Adelaide Convention Centre, March 2020

### Removing Barriers to Understanding Number

---

This one-day workshop will look at the common barriers to understanding number and what we can do to help children overcome these barriers.

It will explore mathematical language, symbols and conventions as well as looking at how our attitude to maths can also be a barrier.

Common areas of difficulty such as fractions and place value will be explored as well as how to use concrete manipulatives to develop conceptual understanding.

There will be plenty of practical activities and ideas to help overcome these barriers. The workshop is aimed at the primary sector but will also be useful for secondary teachers.

**Cost:** \$265 non-member  
\$225 member  
\$190 SPELD SA tutor & full-time students

**Workshop Date:** 10<sup>th</sup> March 2020 Ref: 100320

**Time:** 9am – 3:30pm **Registration** from 8.30am

**Venue:** Adelaide Convention Centre, morning tea and lunch included

### Singapore Maths

---

This one-day workshop will explore how the Singapore approach to teaching maths is effective and how it can meet the needs of children who are struggling with maths. The day will focus on the five core elements of the Singapore Approach. These five core elements are metacognition, visualization, number sense, generalisation and communication. Each will be explored together with practical strategies such as bar modelling, the use of ten frames, Cuisenaire rods and other appropriate manipulatives.

The workshop will be very hands on with plenty of practical ideas and activities and will be suitable for anyone who works with children experiencing difficulties in Maths. It will address both primary and secondary phases.

**Cost:** \$265 non-member  
\$225 member  
\$190 SPELD SA tutor & full-time students

**Conference Date:** 11<sup>th</sup> March 2020 Ref: 110320

**Time:** 9am – 3:30pm **Registration** from 8.30am

**Venue:** Adelaide Convention Centre, morning tea and lunch included

To advance the education and general welfare of children and others who are disadvantaged by specific learning difficulties
